

CANVAS PRINT PRICE LIST

Prints on canvas from digital files. Prices include a full 5-6 cm perimeter of canvas bleed as required for frame stretching. Sizes quoted are the outside dimensions of the frame - your gallery wrapped image will be printed approximately 5-6 cm larger and wrap around the sides of the frame.

Price list updated 25/09/09.

For HIGH QUALITY PRINTS, your image will need to be a minimum of 250dpi sized at the actual print size you require.		CANVAS PRICE LIST
